FEBRUARY 2009 / Vol.18 No.2

Most times, when a swanky party gets out of control, it usually just means someone got drunk and someone else was sick. Well, not in *Confidential*. Inspired by the nasty Readers' Lives stories we get from you guys, this high class party ends up with three babes slobbin' knob (p86). Kind of fitting, really, considering this is the rawest, rudest issue of Confidential yet. Check out Valentina's double dicking complete with DP (p22) or Jenny milking Clark's cock like there's about to be a dick ban (p138). But don't worry, even if there is, we'll still have the world's freshest real life pussy for you...

MY SEXY SECRET!

"MY FIRST TASTE!"

My girlfriend came over to comfort me when I went through a messy break-up, and after a few drinks we started to play truth or dare. I chose truth and she asked if I wanted to kiss her. I told her yes, I was curious to see what it would be like.

Brushing her hair back from her face, I leaned in and gently touched her lips with mine. A moment later we were kissing passionately, running our hands over each other's body.

I kissed and licked over her stomach, pulling her shorts down low, then went back up her body and whispered in her ear, "I want to do very dirty things to you!"

Grabbing my hair, she gasped, "Do it then!" I peeled off her shirt, taking a second to admire her tits before she pulled my face down to them. I sucked and licked her rosy nipples, feeling them harden in my mouth.

She wriggled out of her shorts and I started to rub her through her panties, my fingers getting wet with her juice. As I licked her through her panties she begged me to take them off. I pulled them to the side and licked along her dripping wet slit, then spread it wide to expose her clit. I was sucking and licking rhythmically on her clit while fingering her and she started grinding on my face as she neared climax.

She moaned, "I'm going to cum," and then her body shook and her pussy clamped down on my fingers as she came hard. I just licked her gently as her breathing gradually settled, and then she smiled at me and said, "Your turn now..."

SHE'S A BEAUTIFUL BRUNETTE WHO MADE HER NAME IN GONZO GOO-FESTS BEFORE SIGNING ON THE DOTTED LINE WITH WICKED PICTURES. WE FIGURE THE LUSCIOUS ALEKTRA BLUE IS AROUND FOR THE LONG HAUL, AND THAT MAKES US MIGHTY HAPPY...

Alektra and Gina Lynn are *Drowning In Bitch Juice 3.*

HEIGHT: 5'6"
WEIGHT: 115 lbs
VITAL STATS: 34D-24-35
HOMETOWN: Dallas, Texas and Scottsdale, Arizona

How did you get involved in the adult industry?
It all started because I was friends with [fellow porn star] Taryn Thomas. She gave me a call and told me what she was doing, that she was working in adult and recommended that I try it out. I did, I liked it and I'm still here! My first scene was with two guys, Pat Myne and Mick Blue, in *Fresh Pink* from Third Degree and I had no idea what I was doing. I just went with the flow and it went smoothly, though. At first when the director asked me to start out with a little tease, I was, like, "What?"

Do you consider yourself highly sexual?
Yes, I masturbate every day. I don't have a favorite fantasy; I just get off on whatever comes to mind in that moment and I don't really use sex toys anymore because the batteries always die. I guess I wear them out so now I use a back massager from a very popular and trendy home electronics store that has a heating option and plugs into the wall. It's powerful, it keeps going and it works for me!

Is it easy to make you cum?
No, it's not easy to make me cum. The best way to get me off is by a lot of kissing with play, or anal sex, and my clit is really sensitive. Lots of kissing really turns me on. My favorite position is when I'm flat on my tummy with the guy behind me. I love it that way!

Do you prefer working with new people?
I usually like to work with people I've already worked with before, because you know what you're getting and they know what you like and what feels good to you.

Do you have favorite people to work with?
I plead the fifth on this one, but I'd definitely like to work with Janine. I've never worked with her and she's still super hot; it's just mind-blowing really how hot she is.

Had you been with girls in your private life before getting into the business?
Oh yes, several times! I really love sleeping with girls, they are super yum!

What type of person appeals to you?
Anyone who is confident and comfortable with themselves and not arrogant. I also love anyone that makes me laugh!

Who do you think gives better head – men or women?
I don't think one's better than the other. It just makes a big difference when the person actually enjoys doing it.

What do you think you're best at sexually?
I'm generally a well-rounded girl and I do a little bit of everything... I'm not shy in the sex department. I think I would make a good teacher on any subject in the school of sex for sure! I really enjoy anal sex, but I think that I'm best at blowjobs and maybe cowgirl.

Does size matter?
No, it doesn't. I think it's a big myth that bigger is better; it's all how you work it.

And how do you work a cock?
I just use my hands and mouth at the same time and use spit. Lots of spit is essential for a good blowjob.

How many cocks can you handle at once?
Two is just fine. Any more than that is too much work!

Are you into group sex?
I'm not really into it in my personal life, but on camera, sure, it's really fun. The most people I've ever been with in one scene was in *Out Numbered 3* from Red Light District. There were nine of us girls and three guys and it was pretty crazy, I felt like I was in a dream!

Do you watch porn?
Not too often anymore. It's

different now that I know the people, plus I'd rather be doing a scene than watching a scene.

Do you have a favorite sex scene from a movie you did?
Wow, there are so many to name! Pretty much every scene I do I really have a good time so all of them are favorites for one reason or another.

Any good sex in your personal life you want to tell us about?
I had sex in a crowded nightclub once. Oh yeah, that was pretty hot! There are actually too many times to name and all so great I can't just mention one. Spontaneous sex is the best sex there is; next in line would be hot and heavy make-up sex.

Now that is how you suck cunt.

Scott Nails and Alektra enjoy some hammer time.

Alektra and Sammie's new lube wasn't working as planned.

Stuffing the slots of Sammie Rhodes and Stoya in Digital Playground's *Video Nasty 3: Stoya*.

Do you prefer it soft and sensual or rough and hard?
This is the Gemini in me. I can go either way and I love them both! It depends on my mood, the situation and the person I'm with.

What turns you off?
Easy answer: bad hygiene.

Do you dance in clubs?
Yes I do and I love dancing, and I like to be watched. I especially love it if there is a platform or podium where I can just do my thing with all eyes and attention on me!

What makes an Alektra Blue movie special?
I'm just a normal girl who happens to love what I do! I genuinely love sex and it shows in my movies. I think a horny guy appreciates and gets off on watching a girl who is really into what she's doing.

What do you like to do in your free time?
I love to shop (what girl doesn't?) and I'm really into roller skating, working out and I am a pro on my trampoline – I'm on that thing most of the day!

How can your fans get in touch with you?
My website is www.clubalektrablue.com or I also have a page at www.myspace.com/alektrablue. I feel great and I'm really happy being contracted to Wicked Pictures. I just got done shooting my first starring role for them called *Alektra-fied* and I can't wait for my titles to come out. You can also catch me in *Predator II: The Return*, which is in stores now and I'm in *Fallen* and *Last Call*. ♣

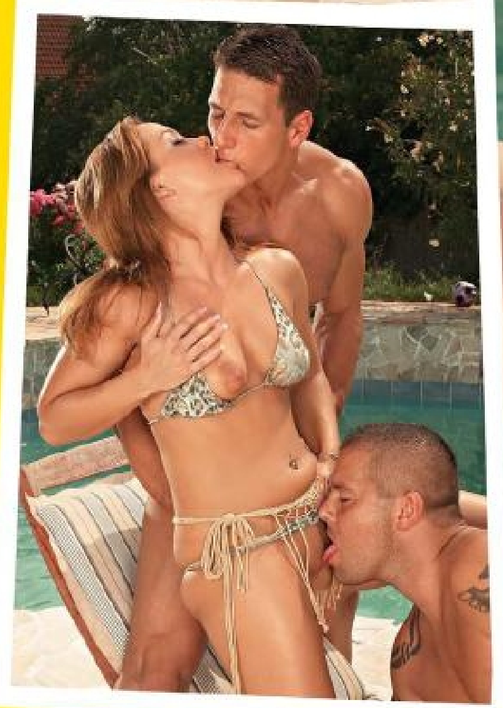
DOUBLE OR STUFFING!



Valentina and Nick have been bargaining for a while. He wants to bone her butt for the first time, she wants a threeway with his friend Thomas. It's taken a lot of negotiation, but they've agreed to kill two birds with one stone – if only all chicks thought this way...

Thomas is more than happy to fulfill Valentina's fantasy, while Nick can't wait to finally get in that ass. Turns out it's a lot wilder than that. Once she's tasted both cocks, she's not content to be spitroasted, or to have them fuck her in turn. No, she wants two dicks inside her at the same time. Nick gets to plunge into her sphincter while Thomas rides her wet cunt. Nick could cry 'no fair' after she gets them to swap holes – he's waited long enough, why should his buddy get her tightest hole on his debut? – but he's just happy his babe has turned out to be such a nasty little slut. And by the time she's drinking down two consecutive loads of hot jizz, they've all agreed the first time definitely won't be the last... ♣

THE HOTTEST IN HARDCORE ACTION REVIEWED BY OLLIE KRILL

JIZZ RATING

CUM BLAST!
A TORRENT!
A NICE SPLAT!
A DAMP PATCH!
A DRIBBLE!

Many guys fantasize about boning porn stars. I don't. Much. I used to, but then I realized I wouldn't really be up to it. These porn babes know how to work expert cocks; I'd be blasting off in eight seconds and the chick would go to waste. Still, she could clean the dishes while I had a nap, couldn't she?

SWEET CHEEKS 10

STARRING: Jessica Lynn, Elena Heiress, Mackenzee Pierce, Megan Monroe, Summer Verona, Kristina Rose, Camryn Kiss, Aliana Love, Samira, James Deen, Tony T, John Strong, Steven French, Justin Long.
DIRECTED BY: Ivan.
AVAILABLE FROM: Diabolic.

BIG BUTTS / OILED UP CHICKS

I think what I have here is a collector's item – a genuine big butt movie that doesn't star Alexis Texas. Whodathunkit? That's not to say it isn't mighty fine, however, as although the asses on display might not be up to Alexis' standard, they're still pretty *sweet* and bubblicious. It's not ready to topple the *Big Wet Butts* series from its lofty perch just yet, but it sure gives it a go.

Aliana Love and Samira kick things off in fine style, two brunettes with bubbles that I'd sure like to pop. They get themselves nice and slick with some oil poolside, before Tony T puts them on first name terms with his tool. Some limited oral makes way for lots of fucking, the girls getting nicely involved with each other too before Tony serves up some population pudding.

Mackenzee Pierce ramps up the nasty factor in her threeway with Tony and John Strong. She comes off as pretty intense, throwing in lots of nasty talk as she sucks nuts, jerks dick and then lets them take turns in her pretty ass. The DP is inevitable, and they double-glaze her butt cheeks as a balm after the thorough banging they just gave her.

Summer Verona has got a keister and a half, and Tony T keeps up his 100 percent appearance record by arriving on the scene to bury his face in her ass. He doesn't get to bury his dick in it, sadly, but enjoys her cunt before giving her something creamy to *swallow*. I'll let you guess what that is.

Megan Monroe doesn't really do it for me, but cocks do it for her, and she crams Tony T (surprise) and then Justin Long into her pussy in a scene that doesn't really take off. Much better is the threeway between Camryn Kiss, Kristina Rose and James Deen with scads of oral sharing, plenty of oil and heaps of pussy-to-mouth *sucking*. Tony T returns for the finale, banging the two hottest chicks in the movie – Jessica Lynn and Elena Heiress. Again, you want it to be nastier than it actually gets, but there's enough ass here to get you through the night.

SUMMARY: Nothing electric and nothing lame, just a good cheek-fixated movie with plenty of nice ladies. A little more anal might have taken it up a notch, however.

BIG TITS AT WORK 3

STARRING: Mariah Milano, Abbey Brooks, Diamond Foxxx, Ryder Skye, Julia Ann, Brandy Talore, Kurt Lockwood, Derrick Pierce, Steven St. Croix, Eric Masterson.
DIRECTED BY: None credited.
AVAILABLE FROM: Brazzers.

BIG BOOBS / OFFICE HOTTIES

Why didn't anyone think of this before? And if they did, why didn't they do it this well? Chicks with big racks done up like sexy secretaries – it's a no-brainer. The number of movies around featuring a foxy PA unbuttoning her blouse might be a little unrealistic compared to the actual amount of real world sexy-sec activity, but then that's the point. If you had Mariah Milano working for you, you'd be getting her to take down everything all the time. Feel free to add your own dick-tation joke at any point. She actually takes it to the next level by rocking up to work in a maid's uniform, and the silly plot and tease is all part of what makes this such fuck-happy fun. Before you know it she's got her fine tits wrapped around Kurt Lockwood's length – the highlight of a scene that should have spent a lot more time on her ta-tas and a lot less on some vaguely average fucking.

The second scene is more like it, foxy blonde Abbey Brooks playing the boss trying to keep hold of her top sales performer Derrick by treating his cock to a ride in her chest canyon. She sucks dick sweetly before he eats her pie and then pokes it with his pecker. Those tits of hers are hypnotic but Derrick still aims a little higher for a great pop to round off a top class scene.

Diamond Foxxx has got all the assets necessary for this movie – a blonde and extremely busty MILF, she takes her scene to the next level through lethal use of her funbags. The tit-fucking here is off the scale – up there with Gianna and Brandy Talore (the latter putting her naturals to work in a bonus scene on this DVD) for application of hooters to hambone. The sex is almost secondary, although that's good too, and a splash to the tits is the least that they deserve.

Ryder Skye is cute but I wouldn't class her boobs as big, so her scene isn't up to snuff, but that's more than made up for by Julia Ann's hook-up with Eric Masterson. This legend is working her cougar status in this scene, turning an office party into a fuckfest and rounding things off on a high note. Put this one in your racks.

SUMMARY: Big boobs, sexy office scenarios, hot chicks. Porn's almost too easy sometimes.

GLUTEUS MAXIMASS 2

STARRING: Jessica Lynn, Alexis Texas, Flower Tucci, Gianna Michaels, Brooke Haven, Derrick Pierce, Marco Banderas, Lee Stone, Sascha, Jack Venice.
DIRECTED BY: Jordan R. Septo.
AVAILABLE FROM: Venom.

BOOTY BABES / ANAL ACTION

Order has been returned to the universe: it's a big butt movie, and Alexis Texas is in it. And Gianna. And Flower Tucci. And Brooke Haven too. These guys clearly know what they're doing. In fact, if you can make a bad big butt movie with this cast, you need to get out of porn right away. Luckily, Jordan Septo gets it right from the off. We open with Jessica Lynn, who might look like a thousand identikit Cali porn chicks on top, but who has a secret weapon in the shape of a chunky but funky ass. The camera loves that butt, especially when Derrick Pierce oils it up, and although her tightest hole stays out of bounds, the camera angles butt worshippers desire are all there as he taps her twat.

Alexis Texas, owner of one of the finest butts in the world ever, shakes her tushy for the camera and then sets about inhaling Marco Banderas' meat. The director does a great job of keeping her ass in view even when she's eating dick, and she puts in one of her more energetic fucks, talking nasty for the camera too. It's exactly what you want from an Alexis scene – lots of juddering ass and some swallowing too.

Gianna, of course, is a fixture in both butt and boob films – she's got it all. She's also got the assets to handle a bone like Lee Stone's, and their locker room fuck is pretty intense. Her blowjob is a thing of beauty, taking his dick all the way back, and you can almost see the sparks of energy flying off them before he bastes her buttocks with his semen.

Flower Tucci doesn't waste time either, and the glass buttplug she's wearing from the start of this scene tells you exactly where it's heading. And head there it does, Sasha plugging all three of her holes. Thankfully we don't pause to see her squirt every few seconds – something which mars many of her scenes – although she swallows his squirt down.

Last up is Brooke Haven, another anal queen who rarely disappoints. Here we get tit-fucking, anal and ass to mouth from a babe who just looks like she'll make your cock happy. Well, she did mine.
SUMMARY: Promising gonzo with a love of all things butt-wise. Plenty of cheeks, plenty of anal, plenty for your pecker.

SWEET YOUNG THINGS 3

STARRING: Sarah Vandella, Alexis Texas, Brynn Tyler, Lana Croft, Kylee Reese, Barret Blade, Lee Stone, Derrick Pierce, Alex Gonz, Tony De Sergio.
DIRECTED BY: David Lord.
AVAILABLE FROM: Bad Seed.

BUXOM BABES / CURVY CUTIES

It's not unusual for a porn movie to have no plot or acting. In fact, it's common. However, it's pretty unusual for a porn movie to not even have any writing – other than the title and cast list – on the DVD sleeve. I mean, this is some bare bones porn. However, I can forgive a lot when you're casting Sarah Vandella and Alexis Texas – when it comes to those two no words are required, just deeds. Deeds like jerking off until blindness sets in.

Sarah Vandella has all the attributes needed to be a star, I'm just not sure she wants it enough. Here her tease is non-existent and the blowjob pretty sweet but all too brief. Once Lee Stone lays the pipe in her, he's running the scene, and while she still looks pretty as she's penis-pistoned, I kind of wanted more from her. That's sometimes the case with Alexis Texas too. There's no doubt she can pull off some award-deserving sex, but sometimes she doesn't look too bothered. Here she's in neither camp, sudsing herself up in the bath and then polishing Alex Gonz's fuckstick to a shine, with plenty of sweet eye contact. Again though, this was more biology and physics than chemistry and, as major as she is, sometimes it's hard to connect with a scene when the star doesn't look connected herself. Maybe blindness is not for me after all today.

Kylee Reese keeps looking better and better, and here she keeps the quality of lookers way up there. Again, however, it's pretty much downhill all the way from the blowjob. She's hungry when it comes to huffing but once Derrick is in her pussy all the energy drains away again. Still, it's an all-time classic compared to Lana Croft's listless scene with Barrett Blade. Blame him for this one – he barely shows up and doesn't keep his dick hard. I kept mine hard for the finale as Brynn Tyler is a promising newbie, although she's got a bit to learn about how to work the camera. That said, she works a dick more than amply. Maybe I'll let her practice on mine.
SUMMARY: Despite a desperately pretty cast, the sex here never gets going. One for Alexis Texas completists only.

FIRED

STARRING: Carmen Hart, Holly Wellin, Katie Morgan, Nikki Rhodes, Renae Cruz, Alex Sanders, Evan Stone, Steven St. Croix, T.J. Cummings, Voodoo.
DIRECTED BY: Jonathan Morgan.
AVAILABLE FROM: Wicked Pictures.

COUPLES PORN

Carmen Hart plays Brandy, a babe who keeps losing jobs. She's just lost her latest after her one night stand turned off her alarm clock and she was late for work. Hmmm. I wonder if the quest for a new job will involve her having sex? I hope so. Jonathan Morgan is experienced at handling the combination of humor and fucking – which ain't all that easy based on the amount of unfunny shit I've sat through in my time. The scene is set in the sweet and goofy opener, with Carmen winding up in bed with T.J. Cummings after an impromptu date. She sucks dick nicely, and while the sex is definitely in the couples category, there was a fun angle that worked. Hey, it can't be gapes all day long.

Katie Morgan plays a personal assistant who stops doing shorthand to milk boss Evan Stone's stiff stick. She's the kind of eye candy that can rot teeth and does a good job of hiding his hambone before he nuts off on her tits. The fantasy-by-numbers approach continues with Nikki Rhodes wearing a kinky nurse costume to make Steven St. Croix's balls a little lighter. Again, we segue nicely from comedy to cum-edy, and she does a good job of injecting some heat into what could have been a throwaway scene.

Things get a little steamier when Holly Wellin arrives on the scene with Renae Cruz and Alex Sanders. Holly usually goes nasty all the way, but Renae matches her blow for blow here as they give Alex Sanders some outstanding brains and usher him into their cunts in turn. Veteran Alex doesn't disappoint their lust for length or their desire to glug down what comes out of that same length.

Carmen returns for the final scene, kicking the other career turns into touch and trying being a soap opera extra. Naturally this involves fucking Voodoo in a scene that shows she can handle the big ones. How about coming to mine to handle my exceedingly small one?
SUMMARY: If you've seen a Jonathan Morgan couples movie before, you've more or less seen this one. Doesn't make it any less fun, however.

ASHLYNN & FRIENDS 5

STARRING: Nikki Kane, Halia Hill, Ellie Idol, Estrella Flores, Ashlynn Brooke, Steve Holmes, Jordan Ash, Ramon Nomar, Tony DeSergio, Michael Stefano.
DIRECTED BY: Tyler Scott.
AVAILABLE FROM: Digital Sin.

NEW GIRLS / STRAIGHT SEX

I've got a few issues with the *Ashlynn and Friends* series. First, are they really her friends, or just people that have been hired to be in the same movie? I mean, it's not as if they're all kicking back together over some brewskis and reminiscing about great times – it's just a vignette movie. Secondly, I usually end up wishing there was more Ashlynn and a lot less friends. Her friends are nice and all, but we definitely need more of an Ashlynn fix to feed our jones for her.

She's in the opener, teamed up with palindromic porn stud Ramon Nomar. He heads straight for that tempting twat and tongues it for a while before finger-popping that puss. That warms her up and she starts to suck his cock. She might not be the deepest or dirtiest, but damn she's the prettiest pecker polisher around. She looks good taking that dick in every position going before Ramon paints her tits white. Ho-hum, time for her friends...

Actually, her friends are really hot. Estrella is an all-natural Latina lovely who sucks Jordan Ash's joint something good before they share an energetic fuck. She's a livewire and responds well to her deep-dicking before swallowing some seed. Nikki Kane is damn pretty too, and she does some enjoyable tease before the well-traveled cock of Michael Stefano is added to the mix. He works her over with the thoroughness you'd expect, and she comes through with flying colors, tasting his jizz and adding herself to the list of chicks I want to see fuck again.

Halia Hill might have fake tits, but she's a cutie too. Shame she sucks cock like it's a stick of dynamite. Commit to the cock! She fares better when they fuck, but she's not a patch on Ellie Idol, who has the sizeable schlong of Steve Holmes to deal with. There's more kink here, with some bondage and role play thrown into the mix. Ellie lights up to his big bone and gets her slot stuffed in plenty of positions before tasting his testicular tadpoles. Now if only I could bump into Ashlynn and her 'friends' on a night out...
SUMMARY: On one hand it's generic vignette sex, on the other it's got great looking girls. Don't worry, because a slice of Ashlynn will probably be enough for your cock. ♣

GIRLFRIENDS FILMS ARE PIONEERING A STYLE OF INTIMATE LESBIANA THAT'S A REFRESHING CHANGE TO THE GONZO EXTREMES. ON THE SET OF IMPERFECT ANGELS 6, EMMA EDWARDS GETS A CLOSE UP LOOK AT THEIR DIFFERENT STROKES...

You can't tell now, but in a few seconds they'll be eating each other out.

Okay, they're getting there...

Nearly, nearly...

IMPERFECT ANGELS 6

STARRING: Faye Reagan, Samantha Ryan, RayVeness, Elexis Monroe, Madelyn Marie, Bobbi Starr, Leah Livingston, Dana DeArmond.
DIRECTED BY: Dan O'Connell.
AVAILABLE FROM: Girlfriends Films.

The adult movie market seems to be saturated with circus style porn that is designed to not only cross the line of sexual credibility but string it around into loops. The result is companies trying to 'one-up' each other to the point where some sex is no longer sexy. The sight of gorgeous couples making love has been replaced with movies that are determined to see how many cocks one female can possibly consume in one sitting. Although that style of movie has its place on the shelves, it seems most people watch those productions for shock value rather than to get in the mood.

Girlfriends Films, an industry leader in reality based lesbian love, has decided to go back to the early roots of pornography and deliver movies that have heart, soul and enough hardcore heat to light up a small city. Happily they, along with director Dan O'Connell, have invited us along for the ride.

Today I'm on the set of *Imperfect Angels 6*, an ongoing sexual soap opera that has both fans and critics raving. Literally what I've walked into is a room full of half naked, panting lesbians ready, eager and willing to get it on! Have I got your attention? Yes, of course I have.

The day begins in an artist's studio where stunning redhead Faye Reagan, a troubled character in this series, has knocked over a set of paintbrushes and run out of the room, embarrassed by her clumsiness. Samantha Ryan is quick on her heels to console her. This is where I walk in. In one graceful motion Samantha has her hands wound in Faye's hair and is sampling her mouth.

"Don't worry, baby," Samantha purrs in a muffled voice, continuing to weave her tongue down Faye's throat. "I'm going to make it all better." Instantly Faye is putty in Samantha's hands and has scooted between her legs to squeeze on her denim-clad ass.

"Make love to me," Faye whispers in a very dainty voice. Knowing the game is on, Samantha hikes up her skirt and locks onto Faye's leg like a vise. She

See? We told you so!

Bobbi Starr sure likes the taste of Madelyn Marie.

Dana DeArmond and Leah Livingston get ready to rumble.

Leah Livingston is virtually livin' in that lovehole.

Elexis and RayVeness ponder how they ended up with those names.

They ain't hung, but they sure got plenty of tongue.

Leah scratches Dana's hard-to-get-to itch.

Elexis thinks pink.

spirals her hips over Faye's knees until an obvious snail trail begins to form a leak out of both pairs of panties. Soon the room is littered from end to end with clothes. Samantha gets an eyeful of Faye's erotically puffy nipples and attacks them like a nymphomaniac. Faye loves the kinky nipple play and cups her natural tits into her hands to feed them to Samantha.

By now the room is alive with Samantha's suckling sounds and Faye's moans. Curling her toes and making a wet spot on the bed, Faye grabs Samantha by the head and settles her mouth between her legs for a little clambake. "Don't forget your fingers," Faye says playfully. Samantha grabs Faye by the hips and goes wild between her thighs, pulling up pinches of bright pink cunt skin between her lips and collecting the cooze dribble with her fingers. After Faye cums, Samantha rolls onto her back, pulls her pussy lips apart and lures Faye inside with her finger. Faye works her way down, licking her neck, navel and pube patch before allowing her the privilege of her tongue. When her mouth finally connects to Samantha's twat, a pussy stringer wiggles from clit to lips. The scene ends in a climactic rush of girl goo.

Elexis Monroe, the next girl up to bat, is as horny as hell after watching Faye and Samantha. "I haven't been fucked in a while," she reveals, just as her date du jour RayVeness enters the room. These chicks are immediately pawing all over each other's tits, having already made nice in the back room. The scene begins with RayVeness luring Elexis into her bedroom for a cuddle session. Soon Elexis is out of control, kissing RayVeness and trying to get her stripped down in record time. She succeeds of course, settling her face between RayVeness's breasts for a little lick and tickle. "Lower baby," the experienced seductress moans. Elexis looks up from RayVeness's breasts, looking somewhat tit dizzy, and smiles. After a playful wrestling bout the girls are filleted out in the 69 position, literally nose deep in snatch.

"Fuck, this pussy smells delicious," RayVeness compliments.

"Let me give you a better whiff then," Elexis answers, breaking away from RayVeness's killer leg grip and standing on top of the bed to dangle her cunt above her new lover like a carrot. RayVeness doesn't appreciate the tease and instead pushes Elexis forward and makes her hold onto the wooden headboard. Elexis has no choice but to comply, grabbing on tight and arching her fine ass back toward the camera.

RayVeness secures her arms around Elexis' thighs, opens her mouth wide and latches onto her cunt like she's desperate for air and Elexis' cunt is an oxygen tank. "Are you ready for my fingers?" RayVeness asks.

"Plleeeaaassseee!" Elexis cries, bobbing her ass up and down on RayVeness's tongue like a pogo stick. Once a pussy explosion has occurred, Elexis climbs atop RayVeness like a jungle gym, locks legs and grinds her cunt hard onto her co-star until she too has been ignited and anointed with tons of sticky, sweet girl gloss. How's that for solid

lesbian heat?

The next day begins bright and early with a candid discussion about lesbian relationships between Bobbi Starr and Madelyn Marie. The sound of talking is quickly replaced by the sound of lips locking and tongues sloshing together. In one move Madelyn is on top of Bobbi, reaching into her shirt to pull out her big, natural tits. "They're so beautiful," she sighs, spiraling her tongue around the pearly points while Bobbi sits back to enjoy Madelyn's obvious admiration.

Madelyn removes Bobbi from her skirt, and once face to face with Bobbi's beaver, turns into a sexual freak! She hunkers down between her legs, sending in her fingers before her tongue has even connected. Bobbi is thrilled with this aggressive style, grabbing her own tits to suck on while Madelyn eats her. "Lick harder!" Bobbi insists when near orgasm. At that precise second, Madelyn cups her fingers deeper inside Bobbi with one hand, and pinches her clit with the other, causing her to skyrocket straight into orgasmic bliss.

Now they switch it up, Bobbi taking control and pushing Madelyn into a face-down ass-up doggie pose, then jabbing her tongue in and out of Madelyn's gaping asshole. Her tongue is soon followed by a couple of fingers. They end in an intoxicatingly good pussy grinding session that leaves them soaked and the crew speechless.

Finally, Leah Livingston and Dana DeArmond take center stage. Dana, known for her penchant for ultra hard sex, is eyeing Leah – the cute cheerleader type – like a she's a piece of meat. Leah looks nervous but is clearly up for the challenge,

Okay girls, if you *really* insist, we'll join you.

It don't get much more close up than that.

setting out to conquer Dana first. They begin by interlocking their lips and legs in a sexual play for dominance. Dana wins out and takes her place on top. She rubs Leah's panties with her fingertips and refuses to stop until her fingers are met with some serious moisture. It doesn't take long for cunt cream to come soaking through the fabric. Dana celebrates by sliding the wet panties off, smelling them, and eventually stuffing them inside Leah's mouth. Then she gets to work between Leah's legs, licking up the delicate curves like a popsicle.

Just when Dana is about to twist her prey into another sexual configuration, Leah steps it up and instead dominates Dana, rubbing her nipple points against Dana's pussy. She proceeds to lick her friend happy before becoming submissive again, spread out over the bed in doggie.

I gather up my gear and head out to the car completely aroused by the last two days. No sexual aggression, violent displays of eroticism or perverse acts of sexual depravity, yet I left there turned on and ready to plant my head between a pair of creamy thighs. Clearly the fine folks at Girlfriends Films are onto something great. Start with the plethora of pussy in *Imperfect Angels 6*, then check out www.girlfriendsfilms for more! ♣

SHAWNA

FROM CLEVELAND, OHIO

Cleveland sexpot Shawna Lenee is making a name for herself in porn. And you can see why. After all, how many girls this hot have you seen taking a fat mouthful of cum with a grin from ear to ear?

"Well, I don't know what chicks are doing in porn if they don't love jizz," giggles the 21-year-old. "Or dick, or whatever. I see the occasional girl shying away from the spurts of cum and I can't figure it out. After all, you've just spent a while sucking, fucking and jerking that dick. You don't want your reward?"

We're liking this attitude.

"I'm not alone. The girls I look up to in porn are all the same – they're not just there waiting for someone to cut a check. I'm talking about the babes who truly love sex. They're not even always the nastiest girls. I can name some who don't like anal sex, but it doesn't matter a bit because their pussy and mouth are so damn hungry for dick. Well, that's me too."

What, no anal?

"Well, not yet, anyway. It just takes the right guy on the right set with the right cock and it'll happen. But it doesn't matter, I'm there to make those dicks go hard and then shoot their loads – and that's the studs and the viewers. Let me tell you, I'm having a blast!"

Let us tell you, we are too... ♠

TRIPLE FROSTED

I never went to college looking to go steady – I wanted more fun than that. So I'm a slut – who cares? Recently, I went to a party and overheard two guys, Mark and Peter, beefing about how their girlfriends cockteased the hell out of them but never put out. I waited a while, then told Mark that, if they wanted some pussy, they should meet me out back in five minutes.

It took them ten, by which time the anticipation was almost killing me! I had three fingers buried in my pussy, resigned to satisfying myself instead. Then they showed up with another buddy, Nick, who wanted in on the fun too.

I was cool with that and figured I'd take control, telling Nick to get his ass down on the ground so I could ride him. By the time I got his pants down he was already rock hard, and I was wet so I just stuck him in me right away, bouncing as I told the others to get jacking off.

"You!" I said, pointing at Mark. He had a big, red cock, moist at the end, so I painted some on my lips before sucking him in. Peter got in behind me – I felt his dick brush up against my back and ass cheeks, but he was more interested in copping a feel of my big boobs.

The more he squeezed them and pinched my nipples, the harder I sucked on Mark's schlong and pounded my snatch onto Nick's hard dick. And Mark was horny at the sight of them, his dick jerking on my tongue.

I'd wanted him to cum on my tits but when I got a taste, I couldn't resist taking it all in my mouth, savoring it. Peter moved in front and started titty-fucking me.

I rode Nick slower now, keeping his dick rigid though I didn't want him to cum just yet. Peter was a real tit-man, losing himself between my big boobs. I just let him fuck them how he wanted, squeezing and pinching my nipples as he squashed them around his shaft. Then he got me to cup them while he jerked off, before shoving his prick back in my cleavage as he started cumming.

I shivered in pleasure as his hot, thick seed bathed my skin. As he gave my nipples another pinch, my pussy clenched tight around Nick's cock as he groaned beneath me.

I couldn't keep the poor guy in suspense any longer – I bucked up and down on him, squeezing as tight as I could, like I was trying to milk the spunk out of his balls with my pussy. And it worked – I rose up, then as I sunk down I felt a gush of cum as deep inside of my pussy as he could penetrate.

I assumed now the guys had gotten some, they'd just go rejoin the party, but they wanted a grand finale. Mark was eager to do me doggie, and got me on all fours. As he frigged my sloppy pussy, Peter was pulling my butt cheeks apart, telling him to take a look at my asshole, at just how fuckable it was…

Mark wasn't inside of me yet and he used his fingers, then the head of his hard dick, to slather cum all over my crack. I'd taken it in the mouth and pussy, and between my tits, so I thought I'd go for a full house and take one in the backdoor.

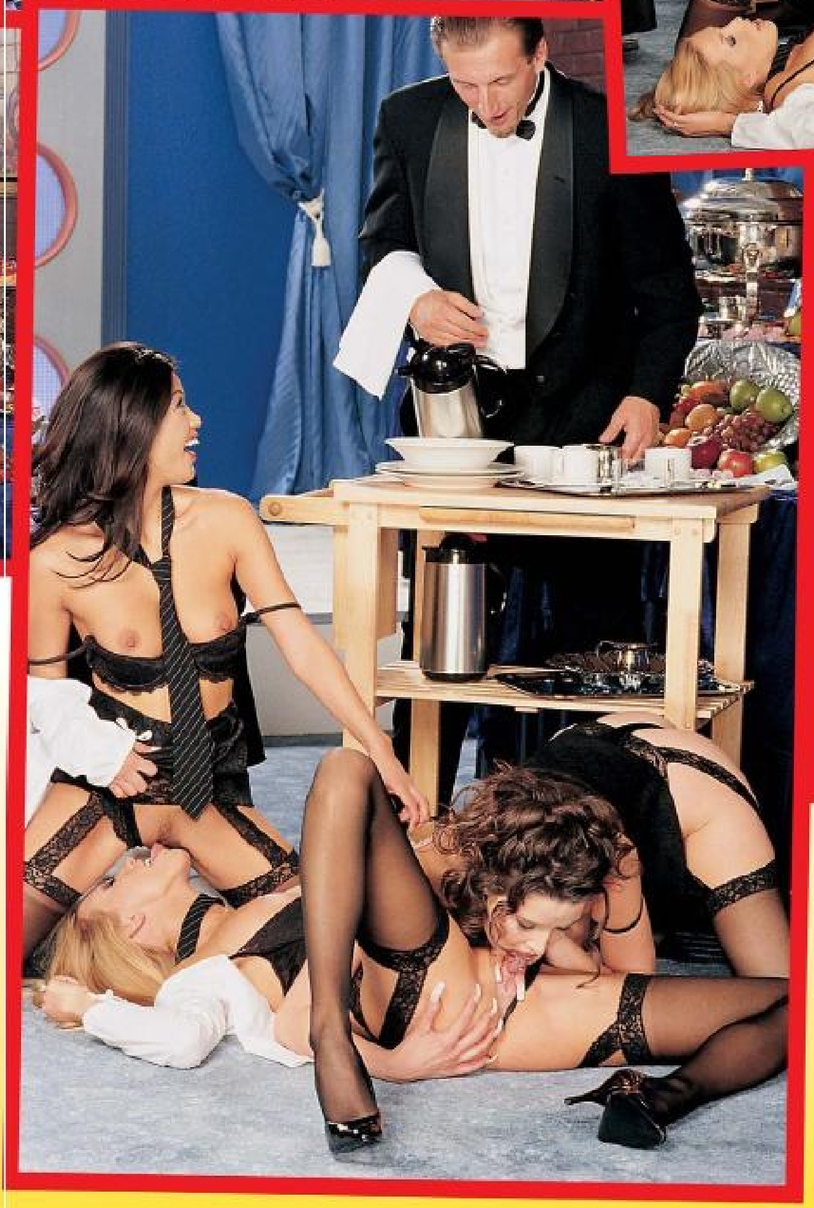
I'd taken it in the mouth and pussy, and between my tits, so I thought I'd go for a full house and take one in the backdoor...

I moaned at him to give it to me, then louder as his swollen meat crammed my asshole full.

He fucked me slow as his buddies got on either side of me, jacking off furiously. I reached underneath myself, frigging my clit, a tingle glowing out through my crotch almost immediately. I came once, then again and I was on the brink of another as I felt Mark start to cum inside of my butt – then my orgasm hit as he pulled out and spurted his load all over my cheeks and gaping asshole.

Peter held off as Nick blew his spunk all over me, before spurting on my ass too. I decided triple-frosted buns was as much fun as I could handle in one night, so I went back to the party, sticky and smelling strongly of cum!

"Sorority Slut" – New Mexico



FOUR SCORE!

You'd think the waiting staff at a swanky corporate event would be on their best behavior, but not this horny bunch. Kelli, Cassie and Charmane can barely stay in their neatly pressed uniforms, while Mark has to drop the decorum and get his dick out once he sees that these three sluts are more interested in slits than serving.

They're lucky that the first guests aren't due for an hour, because once the babes see the bone, there's no turning back. Soon Cassie is sitting on Charmane's face while Mark feeds his fuckstick into Kelli's mouth. She polishes it up so it shines brighter than the silverware, and then gives it another buffing in her pussy.

The other honeys feel left out, so they make sure they get stuffed with stick too, Mark making each one climax in turn until this trio of twat realize that time is getting on and coax a geyser of cum from Mark's meat. They might only be making minimum wage, but this job sure has its perks... ♣

BAKERY BANG

Coming from a very strict family, I've always found it rather difficult to explore my sexual side and my hidden desires. Although I've fucked several cocks and have loved every one of them, I've always fantasized about fucking a woman. Each night before I go to bed I wet my fingers with my tongue and shove them inside my pussy, filling my mind with images of the women I've seen that day. I imagine tasting the softness of a woman's lips and rounding my mouth around her breasts, feeling her nipples grow and press up against my tongue. By the time I imagine sliding my tongue in and out of a wet cunthole, my finger's wedged up inside my pussy and I'm cumming like crazy.

Lately however, all my sexual desires and nightly fingerbanging sessions have been centered around Camilla, a Latina lovely that works at the bakery around the corner from my house. She's as sexy as they come with honey colored skin, a curvy body and sleek black hair that cascades over her shoulders. Every morning I rush to the bakery wearing my skimpiest clothes and spend a lot of time at the counter deciding what to order.

Last week I caught Camilla looking at my breasts and licking her lips as I sunk my teeth into a decadent cream puff. When no one was looking I opened up my blouse

My tongue began to flick at her nipples in overdrive and my pussy was leaking down my legs in a constant stream...

to show her a glimpse of my nipples and dabbed a pinch of pastry cream over them. She looked at me and smiled, showing me her tongue and motioning for me to meet her in the kitchen.

As the bakery cleared out I walked behind the counter and found Camilla waiting for me with her blouse opened. Her natural C-cup tits were so incredible. I couldn't believe I was moments away from actually tasting them.

Before I knew what hit me, my mouth was latched onto her boobs. My tongue began to flick at her nipples in overdrive and my pussy was leaking down my legs in a constant stream. When I grabbed and massaged her breasts in my hands, my pussy began to throb like never before.

"I've never done this with a girl," I murmured while she ran her hand over my cheek and told me to relax. She kissed her way down my neck slowly, licking

behind my ears until my body chilled up. I was fingering my hole the entire time and made myself cum the instant her tongue connected to my nipples.

Camilla sucked hard, licking the sweet cream off of my breasts and squeezing the underside of them. I eventually grabbed her hand and shoved in two of her fingers in place of mine. "You're so tight, baby!" she purred. She pushed me against a stack of boxes and banged my hole some more, licking up all the drippings that leaked out, making slurping sounds throughout.

I continued eating my cream puff as Camilla ate my pussy. I was in a thrilling state of sensory overload. I could feel her licking my slit, could hear her sucking, could see her amazing body bend and twist, could smell wafts of my pussy nectar in the air and could taste the sweet pastry that Camilla had baked with her own hands. I was in sexual heaven! As I came back down from my sexual high I realized that Camilla now had fingers in

She pushed me up against a stack of boxes and banged my hole some more, licking up the drippings that leaked out...

my butt as well. Having both my holes fingered in rhythm made me cum like never before.

After many minutes of this exotic bliss I pulled Camilla onto the floor with me and intertwined our legs together. Now with our cunts touching, we locked our arms around each other and began to grind our pussies as hard as we could, both moaning with the intense pleasure. The feeling was so electric that orgasmic explosions seemed to come one right after the other. As Camilla rolled back, resting on the cold tile floor, I placed her legs over my shoulders and went in to clean her up. I ate her out with the same precision that she had offered me, until she came harder than ever in my mouth.

"Creamy Pussy" – Florida

COCK, FOR A CHANGE!

I've been fucking Orla for a couple months now, and feel like I'm addicted to sucking her cunt. She keeps it immaculately shaved so it's like stroking pink velvet. Well, it is until she starts juicing up – I'll see the wetness well up in her slit, then I'll start lapping at it, flicking her clit.

By the time I part her plump pink lips,

her bud will be rock hard – and if I place my tongue-tip up against it, I can actually feel it throbbing. That's when it's time to get my fingers in her snatch, rubbing the tips of them over her sensitive spots as I'm sucking on that stiff clit.

When she cums it's as much of a treat for me as for her – I'll clamp my mouth over her hole and let the creamy, foaming wetness pour over my tongue and down my throat. I don't know if she actually squirts, but her cunt's so tight it feels like she's shooting her cum out anyway.

So I was telling Jake, my on-off boyfriend, exactly who was keeping me off of his dick some nights. All my talk of Orla's snatch got him horny – maybe even a little obsessed by her. He didn't want to take my word for just how tight and juicy it is – he needed to feel it for himself, wrapped around his tool.

Orla's mostly a dyke but she'll turn straight for "the right cock." I didn't realize there was a wrong type, but I guess I'm not so picky!

She certainly gave Jake a pretty close inspection, holding his dick right up to her face as she copped a feel, seeing just how hard she could get it, then squeezing an extra stretch out of it by sucking on his helmet.

I could see the veins bulge out of his shaft, see her shudder as he tested how tight she was with two fingers, every nerve twitching on my own body just from watching them.

I'd gotten new sex toys, in case Jake's dick couldn't satisfy us both, but they were just left lying by the bed. My hands weren't anywhere near my cunt but I could feel the throb in it just from watching the fuck show.

They were sixty-nining now, Orla spread out over him, snatch mashing in his face as she gobbled him. What I could see of his expression and the juices smearing everywhere showed me he appreciated her pussy as much as I did.

Now I crept down to Orla's head, made out with her around his cock, blew him for just a couple seconds. Then I moved down to suck on his balls while she got back to work on his meat.

I lay back and enjoyed the view of him easing his prick into her tight pussy, juices trickling down her inner thighs for me to lick...

He lasted a couple more minutes, even made her cum before I saw the jizz fountain out the sides of her mouth. She let it run back down his shaft, and then the two of us licked it off of him, stringing out his climax.

With his dick off limits for awhile, we ate each other, Orla on top again, my fingers reaming her asshole as I sucked on her clit. Just seeing her pussy pulse and quiver as the juices flowed out, and feeling the suction of her mouth on my cunt got me so hot.

When Jake was up and ready to go again, he got in behind Orla. I didn't feel left out – tonight was all about them having fun. She was keeping my cunt happy with her mouth so I just let him take over, then lay back and enjoyed the view of him easing his prick into her tight pussy, juices trickling down her inner thighs for me to lick.

He fucked her good, just slow enough so she could keep eating me and he could relish every second he was inside of her pussy. I grabbed his balls, played them against her soft shaved lips, and then I started to finger her clit, knowing that, in less than a minute, she'd be cumming hard around his dick.

She moaned, her lips tickling my snatch as she tightened up, and soon he was groaning too as he shot his load. He sprayed it deep inside her but I got my share, as it ran out into my waiting mouth. Then she was sitting on my face again, not done cumming yet as I felt an orgasm rip

through her body.

Orla says Jake was, "Okay for a guy" – high praise from her! He says he'd fuck her again, but she can't make him cum like I can. The guy knows what's good for him!

SEXUAL FREAK

Since becoming hooked on the arousing readers' letters in *Club Confidential*, my sexual inhibitions have completely disappeared. I'm hornier now than I've ever been before and am on the prowl nightly. Last Thursday, at a Mexican cantina, I picked up a man at happy hour. He was the tall, dark and handsome type, and came on strong with every cheesy pick-up line imaginable.

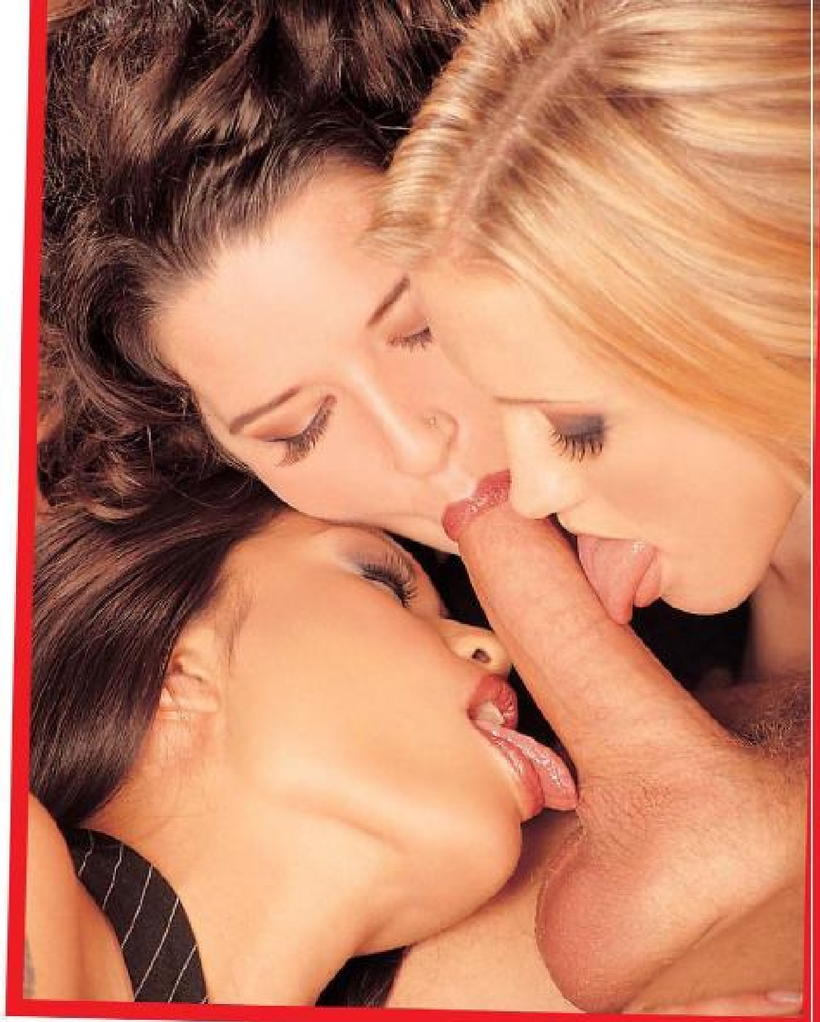
Under normal circumstances I would have completely disregarded such an idiot, except for the fact that he had a humongous cock practically tearing a hole through his jeans! I instantly thought that the faster I could stuff his mouth with my bouncy tits to shut him up, the sooner I could get an up close and personal look at his package.

As I left the cantina I gave him my address and told him to show up in two hours. Sure enough he arrived right on time. When he and his cloud of cologne walked in, he immediately gasped, "What the hell is this? Are you some kind of sexual freak?"

I giggled and went straight for his cock, pretending not to notice the video camera set up in the living room or the stash of dildos lining the carpet. Once his cock was out and growing nicely in my hand, I knew the kinky sight was a complete turn-on for him. Immediately I began to lick up and down the sides of his shaft to moisten his meat before sliding it down my throat. After several failed attempts to deepthroat him, all the way down to his groin grass, I actually managed to stuff him inside my mouth until my nose met up with his stomach.

"No one's ever managed that before," he complimented me, urging me to take him down again and again. After his cock was completely drenched with strands of sticky saliva I pushed him down on the ground and made him crawl to me on his hands and knees while I turned the video camera on. Then I stood in front of his face, raising my skirt to give him a look at my silky blonde muff.

"It's so damn beautiful," he whispered, sticking his tongue out to get a lick. I pushed him back with the toe of my black leather boot and told him to wait. With one hand I pulled my cunt lips open to show him the glistening gloss that had been collecting inside. Finally, after coating his lips and tongue with my clam-soaked fingers, I allowed him to sample my pussy.



He ate me out like a fucking champ and had me cumming hard in record time.

After my gooey release, I threw him down on the couch and mounted him cowgirl style. He grabbed the base of his cock and tried to shove it up my pussy. "No, no, no!" I reprimanded him, redirecting his bone to my butthole. Slowly he inched his way inside until his cock disappeared up my anus.

I reached my hands around, spreading my butt cheeks wide open for the camera, and later reaching out slightly further to pick up the biggest black dildo in my collection. While he continued to hammer my asshole and bite around my nipples, I glided the dildo inside my pussy and turned it up to turbo speed. I was double-stuffed and loving every minute of it.

"Turn it up higher!" he urged, feeling the intoxicating thrill of the strong vibrations and getting off on it. Still connected to his cock, I spun around to give him a solid view of the butt he was banging and also to play up to the camera.

I redirected his bone to my butthole. Slowly he inched his way inside until his cock disappeared up my anus...

After several more minutes of deep pounding reverse cowgirl anal, he buckled me over and continued the ass ramming in doggie. The feel of his balls smacking against my puss had me cumming once again. At this instant I felt his balls tighten and his cock swell even thicker. I knew he was about to explode his load. A few more thrusts, and he pulled out and painted my butt cheeks white with streams of his warm seed. I told him I got my inspiration from *Club Confidential*, so I hope he's become another convert.

HOW TO BE A STUD!

PART 8: ANAL SEX!

You might think anal sex doesn't belong in any guide to How to be a Stud. After all, doesn't whether you get any depend on how much your chick likes to ball nasty? Well, yes and no. If you don't get any, we might help you get some. And if you are getting it, it's important to do it right. There's no point hitting the wrong hole with the wrong approach...

1: THE ASS: A NEW FRONTIER

Most women are happy just to have their pussy stoked. They don't know what you're missing! The key to anal isn't to sell it as a favor she's doing you, it's to convince her how sweet it can be for both of you. Don't labor the point, but maybe show her some good anal porn (you might want to leave the gape movies for the advanced stage), or an anal-loving porn star's blog. It's all about you exploring that new frontier together.

Plastic pucker-packing is the perfect anal warm-up.

Gauge gets the best of both worlds from Mark Davis and Alaura Eden in Amazing's *Gauge Unchained*.

Lacey Maguire gives Mick Blue an access all areas pass in Digital Playground's *Ass Addiction 3*.

2: WORK UP TO IT

You might love that porn where the anal queen gets pounded hard by a ten-inch cock before hopping off it to suck it clean. Us too. But that's not what her first anal experience is gonna be about. It might take weeks of playing with fingers, tongues and toys before she's even ready for you to slide your first inch in. But using those buttplugs and increasing them in size bit by bit is all part of the fun. At least you know where you're headed at the end of it all.

3: THINK SPHINC

Another classic way to introduce anal sex to a chick who thinks it isn't for her or isn't 'natural' (yeah, like bukkakes are, but they're all doing them...) is to associate her sexual pleasure with the ass. That can be as simple as flicking your tongue over her butthole when eating her out, or maybe brushing a finger over that same hole when she's cumming. Do it for long enough, and the butt becomes an area of pleasure eventually...

Velicity Von stuffed by Steve Holmes in Jules Jordan Video's *Elastic Assholes 6*.

Looks like it ain't Melissa Lauren's first time as she gets diddled by Mark Davis in Mach 2's *Filth and Fury*.

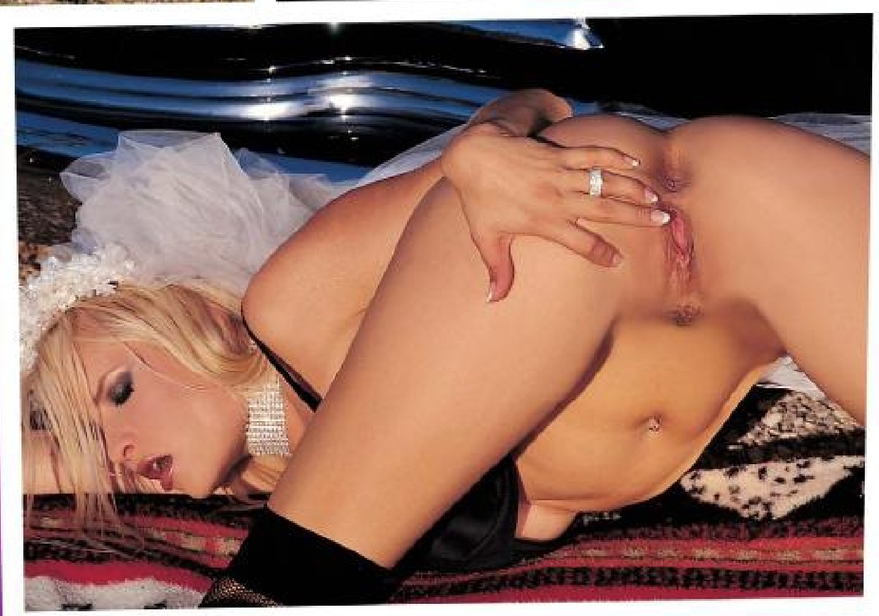
Dana DeArmond gets spooned in her back poon.

4: PUCKER POSITIONS

Once you're granted access to the tightest hole, it's not as simple as slamming in the ham. Different people need different positions to make it work for them. Some babes need to be on top so they can control the angle and depth of penetration, and it's quite common for missionary anal to work best for the ladies. Experiment until you find what's best for you, and leave that piledriver position for a little bit later...

ANGEL

FROM LOS ANGELES, CALIFORNIA



Name: Angel Cassidy
Age: 27
Occupation: Porn Star
Ready to pounce: "I'm proud to consider myself a cougar! I'm all about getting some 20-year-old cock inside me and teaching a guy all the nasty things I've learned working in porn. The good thing about those younger guys is that they can last nearly as long as I can!" ♠

"I LIKE TO TEACH A GUY ALL THE NASTY THINGS I'VE LEARNED WORKING IN PORN"

OUR CONFESSION!

MICCI & JASMINE FROM LOUISIANA

"We love to put on a lesbian show for an appreciative male audience," says flame-haired Micci. "Our aim is to get showered in jizz at the end of it, and the harder I make Jasmine cum, the more reward we get! I love to suck and pull on her big puffy pussy lips and then rub and lick her clit until she screams!"

"Micci eats me like a pro, she drives me crazy," says Jasmine. "But even the best licking is no substitute for a hard cock inside me, so after I've cum a few times I like to get fucked hard in the pussy and ass!" ♠

"Even the best licking is no substitute for a cock inside me. I like to get fucked hard in the pussy and ass"

FAQ About Xomax
Q. How soon do you see results ?
A. Most men see results with their first dose and increasing results over 60 - 90 days.
Q. Are the results permanent?

A. Up to 5 inches or more with a increase in width of 50%
Q. Is Xomax natural?
A. Xomax is 100% natural, safe and Doctor recommend for those looking for advanced penis enhancement, plus Xomax has no side effects.
Q. What makes Xomax the #1 natural penis enhancement formula?
A. Xomax has a highly effective proprietary blend of concentrated nutrients. These natural compounds are amazingly stimulating to the male penis. You won't find a stronger blend of nutrients in any other male enhancement product. The reason? Xomax contains extremely expensive imported ingredients and many manufacturers won't spend that kind of money. Instead, they pass off less expensive ingredients, such a Ginseng or low end forms of L-Arginine.
Q. Is Xomax guaranteed to work?
A. Xomax is 100% GUARANTEED! If you're not completely satisfied, return the bottle(s) within three months to receive a refund. Men now have an effective way to increase the size of their penis. Why pay for imitations that will not solve the problem? You may spend a little more on Xomax, but the results will be worth it! You often get what you pay for. So remember that the genuine ingredients in Xomax are GUARANTEED to work! Order today –the best money can buy!

JENNY & CLARK

SEE OUR VIDEO AT WWW.CLUBGIRLSXXX.COM

Jenny has got a bad case of OCD. That's not Obsessive Compulsive Disorder, that's Obsessively Craving Dick. This constantly wet slut can't go five minutes at a time without wondering where her next wang is coming from. Which is maybe why Clark sticks so close to her – you never know when she'll be good to go next.

Well, she's good to go now, and damn near rips the jeans off Clark to get to his pecker. She drops to her knees and plants kisses along his shaft before wrapping her tongue around it and taking it into her mouth. It keeps growing as she sucks harder and deeper, until Clark warns her she'd better take it easy.

She takes the hint and lets him eat her dripping hole for a while before he guns his recovered rod into it. She's squirming and cumming after just a few strokes, and he's blasting his wad deep inside her not long after. It doesn't matter though, she'll be in the mood again in another five minutes... ♣
